# Active Student Council Puts Ideas To Work

The enthusiastic Student Council of 1968-69 had a new objective this year — "doing" instead of "talking." Among the accomplishments brought about by the Student Council were a Student Council bookstore, defining a new dress code for school dances, and better communication between the students, Student Council, and faculty, in the form of Student Council-faculty meetings. Many of these new ideas were inspired by the new Student Council advisor, Miss Margaret Tudry, with the assistance of Student Council officers. Bill Tudry, president; Vin Grandonico, vice-president; Mary Drozda, secretary; and Michele Wiater, treasurer.

# *Students Participate In Government*

## *Girls' State*

Each year, a junior girl is given the honor of being selected as Hopkins Academy's representative to Massachusetts Girls' State. Girls' State, sponsored by the American Legion Auxiliary, is a practical application of Americanism and good citizenship. The entire program is an attempt to teach and to instill a love of God and Country in the youth of America. During her week at Bridgewater State College, the representative hears several lectures a day and also participates in other activities, such as swimming, tennis, and singing. This year, our congratulations go to our representative, Michele Wiater, and alternate Joanne Moustakis.

## *Boys' State*

Boys' State, a short, intensive course in democracy, is held in June of each year at the University of Massachusetts. Each year, two boys from Hopkins, along with hundreds of boys from other schools, learn about governmental process and democracy. The boys also set up mock town, county, and state governments during their nine day stay. This year we were proud to be represented at Boy's State by Michael Sarsynski and George Kermensky.

## *Student Government Day Representative*

Each year, on the last Friday of March, students from all over the state take seats in the executive and administrative departments of the Commonwealth of Massachusetts and conduct the proceedings of the General Court for a day. Last December, the student body elected Allen Kentfield to represent Hopkins Academy at the State House on Student Government Day.

# *Students Receive Recognition*

## *Conference On The Atom*

Every year twenty-five nominees from area high schools are selected to be guests of the Western Mass. Electric Company on a trip to the Connecticut Yankee Power Plant in Haddam's Neck, Conn. Our nominee to this conference was Ed Russell. The students saw a movie on the construction of the plant and then were taken on a guided tour of the plant itself. A teacher accompanied each student. Two students from the group were selected to attend a Conference on the Atom in Chicago later in the year.

## *National Merit Letter Of Commendation*

The National Merit Letter of Commendation was awarded to students who took the National Merit Scholarship Qualifying Test and scored in the upper two percent of those who would graduate from high school in 1969. A student who receives a Letter of Commendation ranks just below the semifinalists. This year our congratulations go to Becky Cannon for the Letter of Commendation she received as a result of her high performance on the test.

## *D.A.R. Award*

Every year a senior girl is chosen by her classmates and faculty for the D.A.R. Award. It is awarded for the outstanding qualities of dependability, service, leadership, and patriotism. This is an award offered by the National Society of the Daughters of the American Revolution. This year our congratulations go to Benjie Pipczynski, our D A R. Good Citizen.

## Pep Club Rallies School Spirit

This year, in order to encourage school spirit, the Pep Club was formed with Mrs. Lee Ann Herald as advisor. The following officers were elected: Mike Majewski, president, Mary Ellen Paciorek, vice-president; Carol Rytuba, secretary; and Ed Korash, treasurer. The club

boosted the over-all morale through pep rallies, victory dances, and urging students to attend the away games. It is hoped that this organization will continue to improve school spirit.

## Medica Club Members Consider Careers

The Medica Club, whose purpose is to acquaint interested students with the different fields of medicine, has been very active this year. The members participated in the candy sale and also in a field trip to the Belchertown State School, where they presented a record player for the children.

The officers this year are: Diane Klemyk, president, Alicia Richards, vice-president; Martha Parsons, secretary; and Nancy Malinowski, treasurer.

We wish success to the members of the Medica Club in their future careers.

Because of its success in the previous year, the French Club was again organized in the fall. The membership was enlarged as students from the new French II classes were welcomed. Our capable advisor to whom we turn for inspiration is Mrs. Cornelia Ogden.

This year, the members decided to study various topics of interest based on the theme of contrasting the lives of the young people of France with the lives of teens in America. Topics reported on and discussed included the government, theater, and educational systems. This topic has broadened our outlooks on the ways of living of people from different places in relationship to our own.

This year, for the first time, a group of students from Hopkins Academy planned to visit another country. Through Mrs. Cornelia Ogden, a plan was made available to the students taking French III to travel to Paris for a week at a reasonable price. The students spent all year raising money so that they would be able to go. Their many projects included tag sales, raffles, candy and stationery sales, and a very successful smorgasbord.

While in Paris the students visited many historic and famous sights, including Versailles, the Eiffel Tower, Napoleon's Tomb, and the Louvre. The trip was fun for all as well as educational and a new experience. Our grateful thanks go to Mrs. Ogden for making this trip possible for us and for all the time she gave to us.

The topic for debate this year is, "Resolved that the United States should establish a system of compulsory service by all citizens." As a member of the Connecticut Valley Debate League, Hopkins was host for the first round of debating in December. Each week, fifteen schools gather at a school to debate a pre-determined team.

There will be about two hundred fifty delegates from surrounding states participating in this annual event. The Congress will be divided into the Senate and House and proposed bills will be discussed and voted upon. The purpose of this session is to become more familiar with our federal legislature.

It was organized last year by Mr. Norman Smith and Miss Margaret Tudry, and is under the supervision of Mrs. Beverly Gagne this year. The club is open to any member of the high school student body who is interested in the teaching profession as a possible career.

Efforts are being made this year to obtain an official Massachusetts charter for the club. Through activities and the advice and encouragement of teachers on both the elementary and secondary levels, the members of the Future Teachers are exploring the various fields in the teaching and educational profession.

The board and staff of *Hopkins Arms '69*, after many long hours of hard and sometimes demanding work, met their final deadline on March 3, 1969. This yearbook, hopefully, reflects these efforts and the dedication of the board and staff. The frustrations and pressure of approaching deadlines frequently were relieved by the advice, counsel, and

encouragement of Mrs. Carol Kent and Mr. Robert Hufford

We regret that those activities which had not taken place by the dates of our early deadlines had to be omitted. However, we hope that this book will recall for you the familiar faces and memories of the year 1968-1969 at Hopkins Academy

## *A Memory In May . . .*

Diane Klemyk Doreen Dec Queen Carol Kokoski, Sally Muzyka Mary Sheehan

The theme of the very successful Junior Prom, held on May 20, 1968, was "A Memory in May." The evening certainly did prove to be a delightful occasion which will be long remembered by the large number who attended. The dinner-dance was held in the Hotel Northampton's Coach Light Room. The music was provided by Chet Dragon and his orchestra. The highlight of the evening was the crowning of the Queen, Carol Kokoski, by Principal Joseph Zalot. Members of Queen Carol's Court were Diane Klemyk, Sally Muzyka Doreen Dec, and Mary Sheehan.

# As The Curtain Goes Up . . .

On November 22, 1968, the Class of '69 presented *You Can't Take It With You*. The play is about the Sycamores who are "a completely uninhibited clan," with interests ranging from manufacturing frameworks in the cellar, to turning out plays on a typewriter delivered by mistake. It also harbors a tenderly attractive love story, the romance of Alice, the one normal product of the Sycamore tribe and Tony, son of her wealthy employer. Their romance is almost ended when Tony's conventional parents drop in unexpectedly to find the Sycamores spending a usual evening at home. This and many other comical situations contribute to a very amusing and entertaining play.

The advice and direction of both Mrs. Lucia Gettier and Mrs. Evelyn Greiss, along with the enthusiasm and hard work of the Senior Class, helped to make our play the success it was.

The Glee Club's first performance of the year was at the Christmas Concert. The many hours of practice proved to be worthwhile when the Glee Club gave a very fine performance. A variety of music, which was enjoyed by all, was sung.

This year, the girls chose to wear solid color dresses and the boys chose to wear dark suits and ties for the Christmas Concert. All looked very colorful and brightened up the stage. This year, Becky Cannon, a senior, accompanied the Glee Club on piano.

Thoughts after Christmas turned to the hidden talents of each member. The first chance to use these many talents will be the Variety Show. The Glee Club is also planning to give the musical show, "Annie Get Your Gun," later in the year.

In the spring, the Glee Club will perform at the Spring Concert and will attend the Western Massachusetts Music Festival.

## District Band And Orchestra

Three members of the Hopkins Academy band were chosen to participate in the 1969 Western Massachusetts District Band and Orchestra. They were Robert Wanczyk, band, and Maria Rytuba and Leonard Kokoski, orchestra. After a full day of rehearsing, a concert was given in the evening and as in past years, this proved to be an exciting and worthwhile experience.

## All-Eastern Band

Maria Rytuba was chosen to participate in the 1969 All-Eastern Band. The members are recommended by the National Executive Board of their states and are chosen by the scores from the 1968 All-State audition and an application form. More than 600 students qualified from ten states on the Eastern Seaboard. Members of All-Eastern rehearsed for four days and gave a concert for the public and other music educators. This year All Eastern was held in Washington, D.C.

## District Chorus

This year three students were chosen to represent Hopkins in the Western Massachusetts District Chorus. They were Keith Frair, Jeff Logan, and Bonnie O'Brien. Keith and Jeff were also recommended for the All-State Chorus. The District Concert was held on January 18th at the Cathedral High School auditorium in Springfield. We are certain that all three of the students enjoyed a very rewarding experience and were very happy to represent their school.

## *Sounds Of Music Fill The Air . . .*

The first day of school found all the band members busily rehearsing under the direction of Miss Norinne Jacobus for their fall performances. First on the agenda was the program to be played at the Eastern States Exposition on Governor's Day. This year the band was honored by being asked to play for each of the New England governors as they toured the Massachusetts building. The highlight of the day was when the band was conducted by Massachusetts Governor John A Volpe. That afternoon the band played a concert on the Storrowdown Green. A week later, the band was again at Eastern States to give a concert in the new band shell.

The band's first marching appearance of the fall was in North Adams at the Fall Foliage Festival. The theme of the parade this year was "Happy Holidays" and the band played several

holiday songs arranged by Miss Jacobus. The band also marched in the University of Massachusetts Homecoming Parade, giving one of its best marching performances and having lots of fun doing it.

After the fall performances were over, the band started rehearsing for the annual Christmas Concert. Every one agreed the band gave an excellent performance to the filled catetorium. The performance was highlighted by the excellent solo work of Bob Wanczyk on clarinet.

After Christmas, the band settled down to rehearse music to be played at the Western Massachusetts Music Festival and the Spring Concert, which is dedicated each year to the graduating seniors. When warm weather comes, the band will be seen and heard out marching for the Memorial Day Parades.

# A Variety Of Sports Appeal To Students

## Golf Club

Golf was introduced at Hopkins in the spring of 1968, under the direction of Coach Norman Smith. The Club boasts twenty members who play at Pine Grove, their home course. At the end of the year, a championship round was played among our own players. Robert Rodak received a citation for scoring the most points during the year, while John Vandaloski received the Golf Sportsmanship Award.

## Ski Club

Due to the interest of a large number of students, a Ski Club was formed last year, under the direction of Mr. Ronald Berestka. Many students participated by taking ski lessons at Mt Tom. This club has proved to be a very successful organization, enjoyed by all, and with no broken bones to mar the record. Everyone hopes that it will continue as an extra activity at Hopkins.

The 1968 baseball season was another exciting one for Hopkins Academy, which unfortunately lost to Amherst Regional in a close race for the Hampshire League Pennant. Hopkins played well and fought hard with the title dependent on one crucial game against Amherst. On the day of the showdown, Hopkins initiative took an early lead but by a twist of fate, the game was rained out. The following day, Hopkins tried but lost 2-1. Hopkins ended the year with an over-all league record of 13-3.

Contributing factors to the success of the team were fine pitching and good hitting. Joe Madenski and Bill Tudryn belted over .300 and got two home runs apiece. They also made the Hampshire League All Star Team.

The Hopkins Golden Hawks downed the Smith Academy Falcons Thursday 2-0, and took first place in the Hampshire League, leaving Smith Academy,

quickly brought the ball down to the Hopkins end of the court but were unable to score before the gun sounded to end the first period.

Hopkins had the kickoff at the

back and brought the ball down the court. Hopkins also refreshed a quickly denied Smith the opportunity to score. Five short successive passes soon brought the ball back to the Falcon side of

The Hopkins Soccer Team captured the No. 1 position in the Hampshire League this year by defeating Smith Academy in the championship game 2-0. It was the capping of a tremendous season for the boys who were coached by Ron Berestka. Every game was played with hustle and the desire to win - two important ingredients in the formation of a championship team. Boys selected to the Hampshire League All-Star Team were: Vin Grandonico, who led the Hampshire League in scoring; Bill Tudry, who tied for 4th place in the Hampshire League; Bill Meakim, a junior who played an outstanding offense and defense all year; and Denny Russell, the Hopkins goal tender who was credited with 143 saves and 5 shutouts.

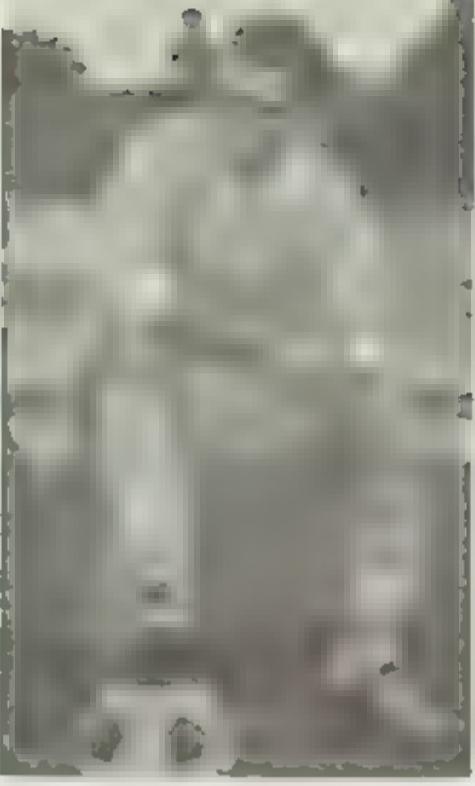

The team's overall record was 12-3, including the heartbreaking 2-1 loss to Quabbin Regional in the Western Mass. Tournament.

Next year the soccer team will have to face the season without the seven senior starters: Vin Grandonico, Bill Tudry, Joe Madenski, Mike Sarsynski, Harry Barstow, Tom Kostek and Pete Cook.

This year the Hopkins cheerleaders did a tremendous job, sparking the entire school with their enthusiasm. Instead of seven members on the Varsity squad as in the past, there are eight members this year. The Varsity cheerleaders regret that one original member, Nita Wiater, had to give up her place on the squad because of illness. With the help of their advisor, Mrs. Lee Ann Herald, both the Varsity and the Junior Varsity cheerleaders presented many new and enthusiastic cheers.

The Hopkins Academy Girls' Basketball team has completed its 1968-69 season. The girls played a total of thirteen games. They played Turners Falls, Frontier, Northampton, Easthampton, Amherst, Smith Academy and Williamsburg. Although not every game was won, the girls showed enthusiasm and good sportsmanship. Many new faces were seen on our teams this year and though we know that the seniors will be missed next year we are looking forward to an even better season. Both of our teams were coached by Mrs. Lee Ann Herald.

Hopkins Academy once again can boast of a fine team in basketball as they ended up in third place as a result of a loss in the final game to Smith Academy. Their over-all record was 15-5. Hustle and determination, along with "Coach Pip's" half-time talks, were the name of the game for the Hawks as they exhibited constant aggressiveness and alertness throughout the season. Hopkins' only losses came from South Hadley, Smith, and in a surprising upset, from Pioneer. Seniors contributing their fine talent this year included Bill Tudryk, Mike Sarsynski, Vin Grandonico, Joe Madenski, Stan Swiercz, and Terry Buckhout. Returning to the line-up will be Denny Russell, Ron Waskiewicz, Dick Smigelski, Bill Meakim, Jim Basile, and Ken Lynds.

The Junior varsity ended their season with a 3-15 record. Although the ball games were rather hard to win, the J.V.s never gave up and hustled throughout the season. We hope to see some of these boys donning Varsity uniforms and continuing the fine record of our Varsity basketball team in the future.

## *Our Principal . . .*

Many of the moods and attitudes of Hopkins Academy from September 1968 to June 1969 are reflected in the expressions of our Principal, Mr. Joseph E Zalot. Challenge, indifference, frustration, success and excitement are all part of our school life, and Mr. Zalot is confronted and deals with them all.

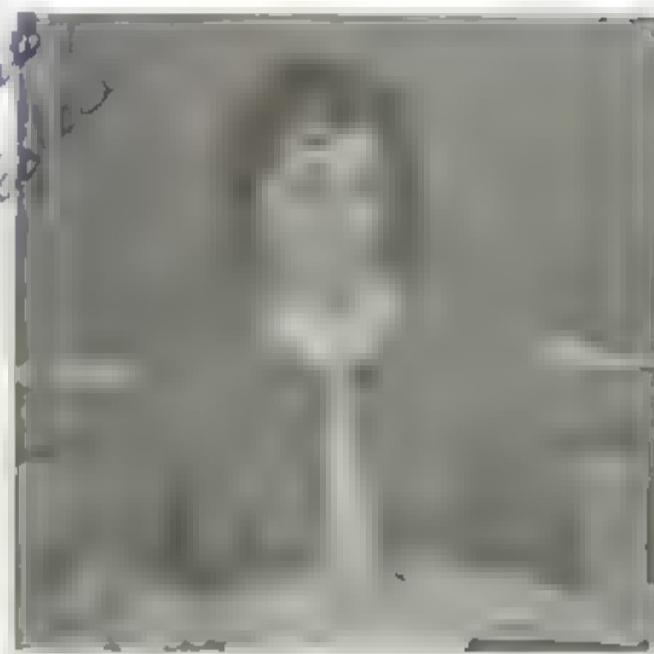

From the lobby to the assemblies to the school halls themselves, Mr. Zalot's influence is felt and his organization is apparent. He directs us along the path of true knowledge through day-to-day inspiration and example. We are all grateful to him for his earnest concern and guidance, and above all for the benefits which we will receive in years to come from our association with him through these years at Hopkins Academy.

Hail! Hopkins, Hail!

The children of the vale

Yet Hopkins did not fail.

**Chorus:**

Hail! Hopkins, Hail! Ever may she stand

Out of the South her pupils came,  
From the North her beloved home  
Brought sons and daughters all  
Faithful to her, to duty true,  
Under her wing they lived and grew  
And thrived beneath her care

Come from the South, come from the West,  
From the old Hopkins land  
And let us here join hands  
For these old spots in beauty bring  
Back the health old Hopkins had  
When our dear Hopkins was young.

In September when the Class of 1969 walked into Hopkins, we realized we were really seniors and this year would be our last year at Hopkins. To lead us through this final and most important year, we chose as our class officers: Cindy Wanczyk, president; Cathy Moculewski, vice-president; Mary Drozdał, secretary; and Benjie Pipczynski, treasurer.

Representing our class in the Student Council were Bill Tudrym, Vin Grandonico, Mary Drozdał, Shelly Wiater, Mike Sarsynski, Dennis Bak, Joe Madenski, and Terry Buckhout. Bill Tudrym served as Student Council president with help from Vin Grandonico as vice-president, Mary Drozdał as secretary, and Shelly Wiater as treasurer.

Many seniors were active in the music department. Bob Wanczyk was a member of the District Band and Jeff Logan was a member of the District Chorus and was also recommended for All-State Chorus. Linda Zuraw was elected president of the Girls Glee Club and Mary Drozdał and Mona Martin were librarians. Many other seniors were putting their musical talents to good use in the band and the glee club.

Leading the band when it went out marching this year was Arlene Kostek, Drum Majorette.

This year Jan Konieczny served as the State F.H.A. Historian.

Leading the rest of the school in support of the team as Varsity Cheerleaders were Mary Drozdał as Captain, Elaine Szafir, Shelly Wiater, Mona Martin, Nita Wiater, and Jan Konieczny.

Of 1969

This year's Senior Class put on one of the most successful Senior Plays ever presented at Hopkins. A comedy, "You Can't Take It With You," was under the direction of Mrs. Gettier and Mrs. Griess, with assistance from Mona Martin, student director, and Vin Grandonico, stage manager.

Each year a student is elected by the student body to serve the school as Good Government Day Representative. This year Allen Kentfield was elected to represent Hopkins Academy.

George Kermensky, George McCullough, Allen Kentfield, John Vandoloski, Dave Matusko, and Steve Murawski were the senior boys who took an interest in debating and joined the team, leading it to several wins.

Many senior boys were active in sports. Leading the soccer team on to victory as the Hampshire League Champs were Bill Tudry, Vin Grandonico, Harry Barstow, Pete Cook, Bill Murphy, Joe Madenski, Stanley Kostek, Tom Kostek, Stan Swiercz, and Mike Sarsynski. On the basketball team the senior boys were Bill Tudry, Vin Grandonico, Terry Buckhout, Stan Swiercz, Joe Madenski, and Mike Sarsynski.

Senior girls also participated in sports activities. On the girls' basketball team were Barb Lastowski, Benjie Pipczynski, Kathy Gnatek, Donna Shipman, and Arlene Kostek.

Becky Cannon and Benjie Pipczynski, as editors, spent many hours planning and working on this yearbook to make it as successful as it is.

Our final year at Hopkins has been a busy but happy one for all of us. We wish all the seniors the best of luck in the future and hope all their years will be as memorable as these last four years at Hopkins Academy have been.

## A Message From The Editors . . .

As another memorable year draws to a close we the editors are pleased to present this 1969 edition of Hopkins Arms to the students of Hopkins Academy. Filled with hope, despair, delight, sadness and just plain fun your high school years pass all too quickly and soon are just a vague memory. We hope that this book will serve to capture and preserve some of the many unforgettable moments of these years - perhaps in the future you will look back at the pages of this book and recall the happy days of your youth.

At this time we would like to express our deep appreciation and gratitude to all those who gave of their time, efforts and thoughts to make this book possible. We would like especially to thank

Mrs. Carol Kent and Mr. Robert Hufford for their many hours of guidance, suggestions, and hard work. Without them this book could never have been published.

Grenier-Ducharme for all their cooperation in taking the many pictures contained within these pages, and to Stanley Miastkowski, our student photographer who put a great deal of time and talent into taking numerous wonderful pictures also found throughout the book.

The administration and faculty members who always cooperated fully with our many requests.

Our many generous advertisers and patrons who contributed much to the success of this book.

And finally the staff and board particularly Irene Czajkowski and Conrad Dawicki, assistant editors, for their sincere interest and cooperation.

It has been a challenge and a pleasure to work with all of you on the Hopkins Arms.

Sincerely,

*Rebecca Cannon  
Benjie Pipczynski*
